

Are you ready to challenge yourself?

Working student as Junior Innovation Architect – Furniture Solutions for our Innovation Lab (m/w/d) at our location in Munich

Do you want to change the future of a family-owned company? Do you love challenges? Do you always come up with a good solution and want to work with colleagues that you can call friends?

Have you answered these questions with “YES!”? Welcome to UNLIMITED X!

Tasks:

- You help shape the future of the REHAU Group
- You support the project leaders in developing new business models in the furniture industry
- You do research and conduct interviews to learn about market opportunities and customers' needs in the furniture industry
- You provide new ideas and think about solutions for the customers
- You add a new perspective and bring your know-how into the existing team

Requirements:

- You have finished your undergraduate studies in architecture, design or strategic marketing and have a passion for design and especially the furniture industry
- You have gained first experience regarding innovation or project management
- You love to create new customer experiences and have a strong interest in creating a go-to-market process for an innovative idea
- You are open-minded, maybe have studied abroad and speak fluently English
- You have an entrepreneurial spirit and consider yourself as innovative
- You are a team player and are highly motivated
- You are a go-getter and self-starter

About UNLIMITED X:

We are the innovation lab of the REHAU Group. Every day we shape the future of the REHAU Group by developing new business models, working on new products and exploring new trends. We consider ourselves very lucky because we enjoy the advantages of both worlds: The stability and long-term thinking of a family-owned corporate and the creativity and flexibility of an innovation lab environment. The REHAU Group is a family-owned company with over 20.000 employees in 54 countries. As a system and service provider of polymer-based solutions in the fields of construction, automotive and industry, REHAU enhances its customers' life every day.

Join our amazing team as of September 2020 and support us with 16 – 20 hours per Week. ´
