

Rapitag has the vision to make retail saver, faster and more convenient than ever. Founded in 2017, the start-up has uplifted the traditional security tag into a multi-patented, high-tech IoT device enabling retailers for the first time ever to provide safe and fast self-check-out and significant process optimization for high value products.

For this we are looking for a **Mobile Development Student/ Intern (m/f/d)** for our Munich office as soon as possible.

Tasks

- Collaborating with the team on design decisions
- Developing new features and fixing bugs in our mobile products
- Reviewing the code of your team members
- Ensuring a high level of quality in the product, through automated and manual testing
- Contributing to team meetings so that we continue to get better

REQUIREMENTS

- An enquiring mind with a passion for continuous learning.
- Enrolled in a Bachelor's or Master's degree program in Computer Science, Computer Engineering, Electrical Engineering, or similar technical area of study.
- Familiarity with iOS/Android Frameworks and platforms, MacOS. Be able to config and manage these platforms.
- Unit testing and UI testing experience.
- Familiarity with JavaScript and some framework (React Native is a bonus)

BENEFITS

- Have an impact: Join the early core team with an entrepreneurial culture operating in the hypergrowth industry of retail technology - we have bold ambitions
- Be valued: We offer attractive compensation and the opportunity to shape an early-stage deep tech start-up from the ground up
- Be on site - if you want to: An office location in the heart of Munich (Obersendling) with flexible working hours and remote / home office options
- Top equipment for top talents: We'll hook you up with the best gadgets like a new MacBook Pro
- Work independent: Freedom for own ideas, working style and area of responsibility with short decision-making processes
- There is more: Enjoy an open atmosphere, connect with industry experts and digital pioneers, free drinks in our office, and take part in regular team events
