

The Strascheg Center for Entrepreneurship (SCE) is the entrepreneurship center for HM University of Applied Sciences and key driver of Start for Future program internationally, educating talents in cross university programs, creating startups, and connecting them with university incubators, industry partners, and ecosystems internationally www.sce.de

Cause we help you create
your future, your way.
Start for Future!

We are offering a job position as

International Program Manager for Start for Future

starting as soon as possible!

Your tasks include:

- Management of the Start for Future Program with regard to new international universities, incubators and other international networks/programs
- Coordination of the Start for Future program with focus on cross-university education formats and identifying talents and project teams and matching them with internal and external experts
- Management of key stakeholders of the Start for Future program (students, international universities, incubators, international programs, funding authorities)
- Management of budgetary and administrative processes tied with funding authorities of the Start for Future program.

We are looking for a team member who:

- has successfully completed a university degree at master level
- has a proven track record in managing international projects with universities, industry and CSOs (preferably knowledge in management of EU programs)
- brings organizational competences and communication skills, is flexible and can proactively address and motivate others
- is eager, self-motivating and reliable
- has at least three years of professional experience/ (experience in entrepreneurship is preferred)
- wants to make tomorrow's world a little better with us

If you enjoy independent, responsible work in a dynamic, motivated and entrepreneurial team and are enthusiastic about innovative ideas and entrepreneurship, then this job is for you! We offer employment in a highly exciting, innovative, and fast-growing international program with an attractive salary (based on TVL 13) and an inspiring and pleasant working environment. The position is initially limited to two years with the option to extend. We are aiming for a long-term cooperation with a person who can take this program further with us, creating the needed impact for tomorrow's world.

Are you interested? We look forward to receiving your application by e-mail. Please send the application as a single file PDF format to Ms. Barbara Mämpel (barbara.maempel@sce.de). If you have any questions, please contact Pavlina Vujovic, head of Internationalization at SCE (pavlina.vujovic@sce.de, +49 157 73730036). We look forward to getting to know you!
